CHAPTER 14

Black Muslims

Muhammad

White

Mr.
White

Negroes

Icarus
Mr. Muhammad felt one black man's mind and his leaders look for leaders and a way to go. Chicago, Harlem, New York... almost called New York... go... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got... got...
